My sister.

I have a sister. Her name is Rosie. I'm very fond of her. We often play together and she always takes part in all our games. My little sister doesn't care of cinema but she likes theatre very much. She buys tickets for all the plays and likes to sit in the stalls where she can see the actors who are popular with the audience. She knows many dialogues from different performances by heart and is proud of it. She uses her imagination and makes up her own stories. She wants to see them on the stage at the theatre. She writes her stories and reads them to me. They are usually very interesting and full of kind and friendly characters. She likes to read me her stories before we go to bed and I always listen to them up to the end.

What's the girl's name?

What does she like very much?

Does she know the dialogues from different performances?

Can she make up her own stories?

Are her stories interesting?

**Домашнее задание: прочтите и выучите короткое
стихотворение про хобби:**

What Do You Do in Your Free Time?

What do you do in your free time,

In your spare time, in your leisure time?

What do you do in your free time?

Please, tell us what you do?

I like cooking, I like eating,

Watching TV, and just relaxing.

What do I do in my free time?
